

Celebration Book Order Form

2018-2019

Celebrate your child’s birthday or special accomplishment with a new book for our school library! Books can also be dedicated to honor an individual, group, event, or teacher. The Celebration Book program provides a source of learning and enjoyment for years to come. Your child will be presented this book at the school flag ceremony on Tuesdays, and be the first one to check out his/her chosen book. A special bookplate will be placed in front of the book. After your child has read the book, he/she will simply return it. It will then become a permanent part of our school library. Parents are invited to enclose a picture of their child, which will be mounted inside the front cover. Books can be selected at the school office.

Celebration Books are \$20 each.

Please return this form with your payment and Check Summary Sheet by September 14, 2018. If you have any questions, contact LFES PTA Celebration Books co-chair Jessica Blackmore at joz1329@att.net.
