Please join the Las Flores Elementary School PTA in hosting the annual Country Fair. The Country Fair serves as both a celebration and fundraiser. Through volunteers and community support, the LFES PTA works to provide our students with art lessons, field trips, PE equipment, technology, assemblies and much more! By supporting the Country Fair you can help us serve our students. Your donation will be applied directly to the operating costs of the Fair and your family or business will gain exposure to over 1,500 Las Flores residents. All profits from the Country Fair contribute to LFES PTA sponsored programs which directly impact our students.
